# HOSPICE SUPPORTIVE CARE

Services in Support of

# Life

## Our caregivers assist with:

- Providing companionship
- Mediating depression
- Cooking & Serving Meals
- Bathing & Dressing
- Communicating changes to the family of hospice

## Compassion

Our caregivers are thoughtfully selected for their capacity to demonstrate empathy & kindness.

## Dignity

Sometimes it is difficult for family and friends to assist with care or to hear fears, uncertainties, and vulnerabilities. Our caregivers provide a supportive, kind and safe environment.

## Comfort

Our supportive care is focused on quality of life, providing peace of mind within the comfort of your own home.

## Reassurance

Encouragement and the reassurance that you are alone.

We are eager to assist you and your family by offering a complimentary care assessment.
